Objective I am a Civil Engineering Undergraduate at Northern Arizona University and I am looking to gain experience in the concrete , water resources, and structural design field

Summary • Strong in brainstorming, planning, creating ideas and solutions to complex problems

- Able to make decisions using sound engineering judgment and follow them through.
 - Skilled at learning new concepts quickly, working well under pressure, and communicating ideas clearly and effectively.
 - Enthusiastic and determined with any task presented.
 - Proficient in structural analysis, concrete design, and structural steel design
 - Proficient in Water Resources Engineering, Hydraulic Engineering, and Hydrologic Engineering
 - Skilled in use of Microsoft Excel Software
 - Excellent writing skills
-
-

Education	Civil Engineering Undergraduate	2008-Present
	Northern Arizona University, Flagstaff, AZ	
	• Received an A in Dynamics, Water Resources I, Water Resources II and Ethics	
	• Received a B in Geotechnical Engineering II, Structural Steel Design, Thermodynamics, Mechanics of Materials, Transportation, Computer Aided Drafting, and Surveying	
	• Student Member of ASCE	
	• Student Member of ACI	
	General Education	2007-2008
	Paradise Valley Community College	
	• Completed core classes (English, Humanities, Anthropology)	
	• Learned I wanted to pursue a career in Civil Engineering	
	Glendale Community College	2006-2007
	• Took English and Economic courses	

Career History	Intern at Jensen Precast Concrete, Phoenix, AZ	
	• Bill of Materials • Inventory • Quality Control	6/1/2013 -> 8/23/2013
	• Time Studies • Production Efficiency • Purchasing/Invoicing/Purchase Orders • Parts Master List • Scheduling	
	Sales Associate for New Frontiers Marketplace , Flagstaff, Arizona	
	• Increased customer service skills. • Helped the community of Northern Arizona through customer service • Structured important tasks to complete in order for store efficiency.	8/20/2009 -> 5/25/2013
	• Led the meat department to be the top voted meat Department from 2009 to Present voted by the Daily Sun newspaper
