

NAU Steel Bridge

Meeting Agenda

Date / Time: November 9, 2017 / 12:45 PM - 1:30 PM *Meeting Called By:* Ian Connair

Present Members: Isaac Block, Ian Connair, Matt Parrish

Client: Mark Lamer, PE

Meeting Begins: 11/09/17 at 12:45 PM

Input on the Final Geometry

- Tried and True Design
- Need to be careful about weight.

Update on Connections

- Connections in need of attention.
- Proposed ideas possess merit, but need to be thoroughly evaluated before implementing into final design.

Overall Concerns and Questions

- Semester is winding down, need to start making decisions at an accelerated rate.
- On the right track, and things are looking okay in terms of geometry of design.
