

Conference Results and Standings

The 2019 Pacific Southwest Conference Results for Northern Arizona University Concrete Canoe did not result in the way we had planned. Out of 18 universities, NAU placed 11th overall. The Design Paper placed 13th, the Final Product placed 12th, the Oral Presentation placed 7th, and the Races placed 14th. The team did the best on the Oral Presentation with Ernesto Mauricio and Virgilio Bareng having a very good and well put together presentation with answering the aftermath questions really well. The summary of our placement at the PSWC 2019 conference can be seen in Table 9. *VolCanoe* obtained a total of only 10.9 points out of 100. The summary of all the universities and their points can be displayed in Table 10.
