

# EDWIN BRYAN PEREZ TORRES

2738 NAKAI TRAIL FLAGSTAFF, ARIZONA 86005

623-251-8858 ▪ ebp24@nau.edu

## Objectives

To offer up my education and experience in a position where I can realize my full working potential to become a great asset to an organization.

## Education

Northern Arizona University, Flagstaff AZ, Bachelor of Science in Civil Engineering  
FE Exam Passed. Estimated graduation date is May 2019. GPA 3.74

## Experience

Mechanics of Materials Teacher's Assistant ▪ August 28, 2017 – December 14, 2018  
Northern Arizona University ▪ 2112 S Huffer Ln, Flagstaff, AZ 86011

My responsibilities for this job include attending each class session to assist students with in-class activities, proctoring exams, and grading in-class work as well as homework assignments. Other duties include holding hours outside of class time to offer additional help to students.

Engineer Intern, Civil Team – Engineering Ministries International ▪ May 13, 2018 – August 11, 2018  
625 14 St NW #201, Calgary, AB T2N 2A1, Canada

My responsibilities for this internship included learning software required for project work, attending site visits, working on civil details in Civil 3D, and helping put together a project report. My focus for civil work was in helping design the water supply, wastewater management, stormwater management, and grading details such as calculating cut and fill for an assigned project.

## Relevant Skills/Communication

I am capable of leading groups with confidence, while staying determined to learn new material. I strive to find innovative solutions to difficult challenges that I am faced with. I communicate well with team members and do my best to understand their perspective on projects.

Proficient In These Areas

AutoCAD

Civil 3D

Microsoft Office
