

Greg Andolshek

Permanent: 3615 East Via Alcalde Place Tucson, AZ 85718 • **Academic:** 813 West University Ave Flagstaff, AZ 86001

Phone: 520-668-5210 • **Email:** gandolshek47@gmail.com

Objective

Greg is looking for a position in which he can utilize his software engineering and programming skills to help him find a lasting career in the software design field.

Education

Northern Arizona University – Flagstaff, Arizona

BS in Computer Science, Anticipated date of graduation: Spring 2013

Favorite Courses Include:

- Req. Engineering/Senior Capstone
- Algorithms
- Advanced User Interfaces
- Automata Theory
- Software Engineering
- Principles of Languages

Projects

Group Wrangler (August 2012 – May 2013)

- A team project that designed a web based group management system built from Ruby on Rails. Features include user profiles with login support, automated and manual group management, fully customizable attributes for users/groups, full group analysis, and internal messaging systems.

OOD in Scheme (March 2012 – April 2012)

- Built a program using object oriented design in Scheme that could build classes and create/operate functioning instances of the classes.

Computer Skills

- Languages: Java, C, C++, Ruby on Rails, Scheme, Prolog, HTML using various modern IDEs.
- Database Systems: MySQL
- Operating Systems: Windows, Mac

Professional Experience

Safeway (November 2007 – March 2008) - Flagstaff, Arizona

- Bagged customer groceries, cleaned store aisles, and returned products

Pizza Hut (May 2005 – August 2005) - Tucson, Arizona

- Prepared and baked meals and maintained kitchen area
