- 12/13/2017 Skype

Upcoming Tasks

Task Title: Final Year Meeting	Who (%): 25% each	Rough Due Date: Before Holidays Begin
Description: We will meet with our client, Tony Pallas, to officially notarize our document and to create a development schedule. We need access to their Amazon Web Services Account to begin to implement our demo solution onto the virtual servers		

Task Title: AWS Development	Who (%): 25% each	Rough Due Date: 01/15/17
Description: It is our job to familiarize ourselves with AWS. Each of us have a specific topic to research, so when we meet again during the winter he can familiarize everyone with the specifics within Amazon Web Services.		

Task Title: Practice Development	Who (%): 25% each	Rough Due Date: 01/15/17
Description: Each member is responsible to deploy and report a technology that will be used for our solution that Amazon Web Services provides.		

Task Title: Team Website	Who (%): 25% each	Rough Due Date: 12/17/17
Description: Updating our team website for the work we have done for this Fall semester during requirements acquisition. Upon finish, viewers will be able to understand what our solution will be doing.		

Task Title: Choosing device	Who(%): 25% each	Rough Due Date: 12/31/17
Description: Updating our team website for the work we have done for this Fall semester during requirements acquisition. Upon finish, viewers will be able to understand what our solution will be doing.
