Name: Quinn Melssen
Major: Computer Science
Hometown: Santa Clarita, CA

Education
High School
Canyon High
GPA: 3.9
4 Years Track and Field/ASB

Institutions
Northern Arizona University
Relevant Courses:
- CS212 - Web Programming
- CS345 - Databases
- CS386 - Software Engineering

Work Experience
Best Buy, *Apple Master*
- As Best Buy's Apple Master I was in charge of providing both customers and my fellow employees with the most up to date information directly from apple. This meant getting deeply ingrained into the tech industry, following news both from outside sources and from Apple themselves.

Skills
- Project Management and Requirements Engineering expertise
- Plethora of programming languages including Python, Java, C, HTML/CSS, etc
- Linux server management and manipulation
- VCMS expertise, particularly in Git and GitHub

Other Interests
Most of my hobbies revolve around the computer, whether it be programming small tools for myself or playing video games with my close friends. When I am away from the computer I frequently find myself reading or working out.
