

**GENERAL DYNAMICS**  
Mission Systems

# StratoSplit

Sam Cain, Dallon Jarman, Elliot Hull, Nolan Newman

# What We Are Doing

- Modernizing USCG Search and Rescue System
- Generating audio streams to be sent on a multicast group
- Mixing audio streams on multispeaker / spatial audio configurations
- Ensuring a Zero Trust Security system

# How our project will improve Rescue 21

- Render audio streams to multiple users
- Improved Scalability
- Increased Reliability and Uptime
- Automatic Updates and Security
- Modernized UI

# Solution
