Liability Disclaimer

- All circuits we build are provided "as is" without any express or implied warranty of any kind including warranties of merchantability, noninfringement of intellectual property, or fitness for any particular purpose. In no event shall Team Moto-cool or Northern Arizona University be liable for any damages whatsoever arising out of the use of or inability to use the produced circuits, even if Team Moto-cool has been advised of the possibility of such damages.

- Each user of our controller assumes all responsibility and risk for the use of the system. Team Moto-cool and Northern Arizona University do not assume any legal liability or responsibility for the proper operation of any circuit provided. Team Moto-cool will not be liable for any compensatory, special, direct, incidental, indirect, consequential, exemplary or any other damages resulting from the loss of use, equipment, or profits, arising out of or in connection with the use or performance of the controller, however caused, whether for breach of contract, warranty, negligence, or otherwise, and whether or not Team Moto-cool has been advised of the possibility of such damage.

Product Ownership Rights

- Team Moto-cool being the legal owner of the electric motor controller, described in the proposal, hereby authorizes Electric Blue Motors sole ownership of the controller. In consideration of the transfer of ownership, we hereby release all rights, intellectual property, and interest in the circuit to Electric Blue Motors without payment or compensation. To the best of our knowledge the device uses no intellectual property of any other parties. We agree to hold Electric Blue Motors and its agents harmless from any claims that may result from the transfer of ownership of the circuit.
