

ME 486C-003
GO Baby Go Team A (14)
Meeting Minutes
Fourth Week

This meeting was held in one sessions:

- The meeting was on 2/8/17 (Wednesday)
- Mohammad Aljuaidi, Sam Williams, Abdulrahman Almutairi, Ernes Distajo, and Abdullah Alajmi attended meetings.
- The meeting was held in the EGR Building.
- The meeting started at 4:00 PM and ended at 5:30 PM.

Meetings Agenda:

- Go over the report form the last semester and trying to fix the mistakes.
- Schedule meeting on 2/12/17 (Sunday) for working on the car if we get the parts that we ordered but we didn't get them.
- Fixing the figures and tables numbers on the report.
- Discuss what we should do in hard review1.
- Each one on the member should fix his individual analysis.
- Trying to figure out a new way to make the car turn left or right easily.
- Discuss what parts every member is fixing on the final report from last semester.
- Looking for a table to put the buttons on it.
- Taking some dimensions for the car to see if the table will fit on the car or not.
- Making 2 teams and give each one of them a specific work to do.

Future Agenda:

- Order the table that we will need for the buttons.
