**Time&date: 11:00 To 2:30 pm Saturday**

Attendance: Alwaleed Alhamra ,Asrar AlKhabbaz, Eric Trieu, Fawaz Almutairi, Sultan Almutairi

---

### **Meeting Objective:**

- Meet up with Dr. Yaramasu and Sam to discuss what issues the team is facing.
- Worked up on opening the components and started on drawing a circuit diagram.
- Worked on attaching the safety components on the ride-on-car.
- Opened the main source and got the circuit board that the car has.

### **Next Meeting:**

- Meet with Dr. Yaramasu to give an update on what the team came up with.
- Get help and more information on what the team is missing.
