

HOZHONI ART B

Team 27 : Abdulrahman Almarri , Aly Alharbi,
Jarrah Albathali, Yongzhen Li, Rakan Alhajraf

● Project Description:

- Hozhoni Art Foundation that support all the aspects of arts for the disabled adults who doesn't have any income to draw in their foundation.
- Many teams in the previous years had served a project for this foundation to help them get a new design for the artists.
- The goal of this project is to help them draw with a safe project that can let them work easily.
- We think about building a new creative project that has never been done in this foundation.

● Updates:

- **What has been Accomplished since last presentation:**
 - We have built 90% of the project so far.
 - We added The battery level tester to it.
 - We added the wallpaper sticker to it.
 - We added the cover to the wires to make it safe for users.
 - We added the University & the Foundation logo to it.
- There are no changes have been done to the project.
- **What is left in the manufacturing of the design:**
 - We still need the holder of the switch to be more comfortable.
 - We still need the base of the easel itself to make it stable.

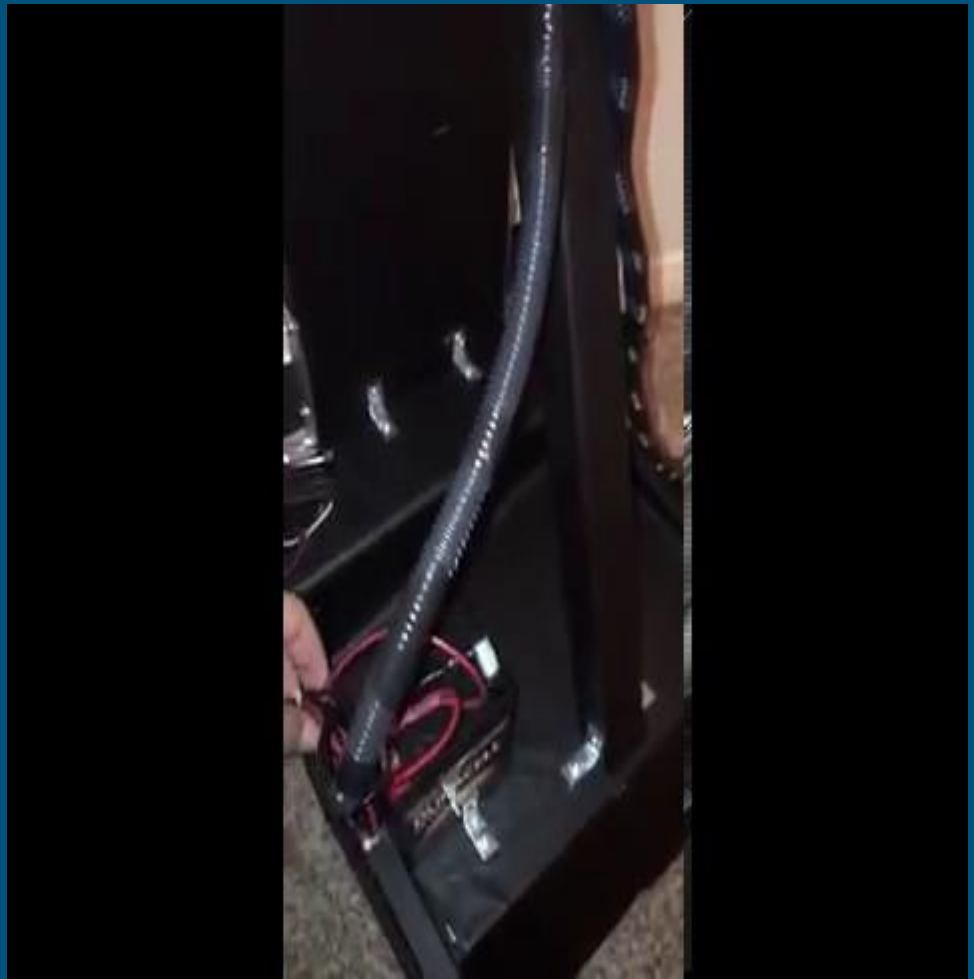

● Updates:

● Design of Experiment:

- The design move up & down effectively.
- It moves in a good way by the wheels.
- The design can be used in a large scale for the purpose of being used by individuals.

- **Updates:**

● Moving Forward:

● Detailed plan of Manufacturing:

- We are still looking for the holder of the switch.
- We are still looking for the paper magnetic holder on the easel.

● Detailed plan of testing design:

- We are planning to take the device to the Hozhoni Art foundation and take a video for people while using it and test it.

● Moving Forward:

● Who is responsible for what?

- Jarah - Electricity and Wiring.
- Abdulrahman & Rakan - Easel and Window regulator.
- Ali & Li - Base and Tires.

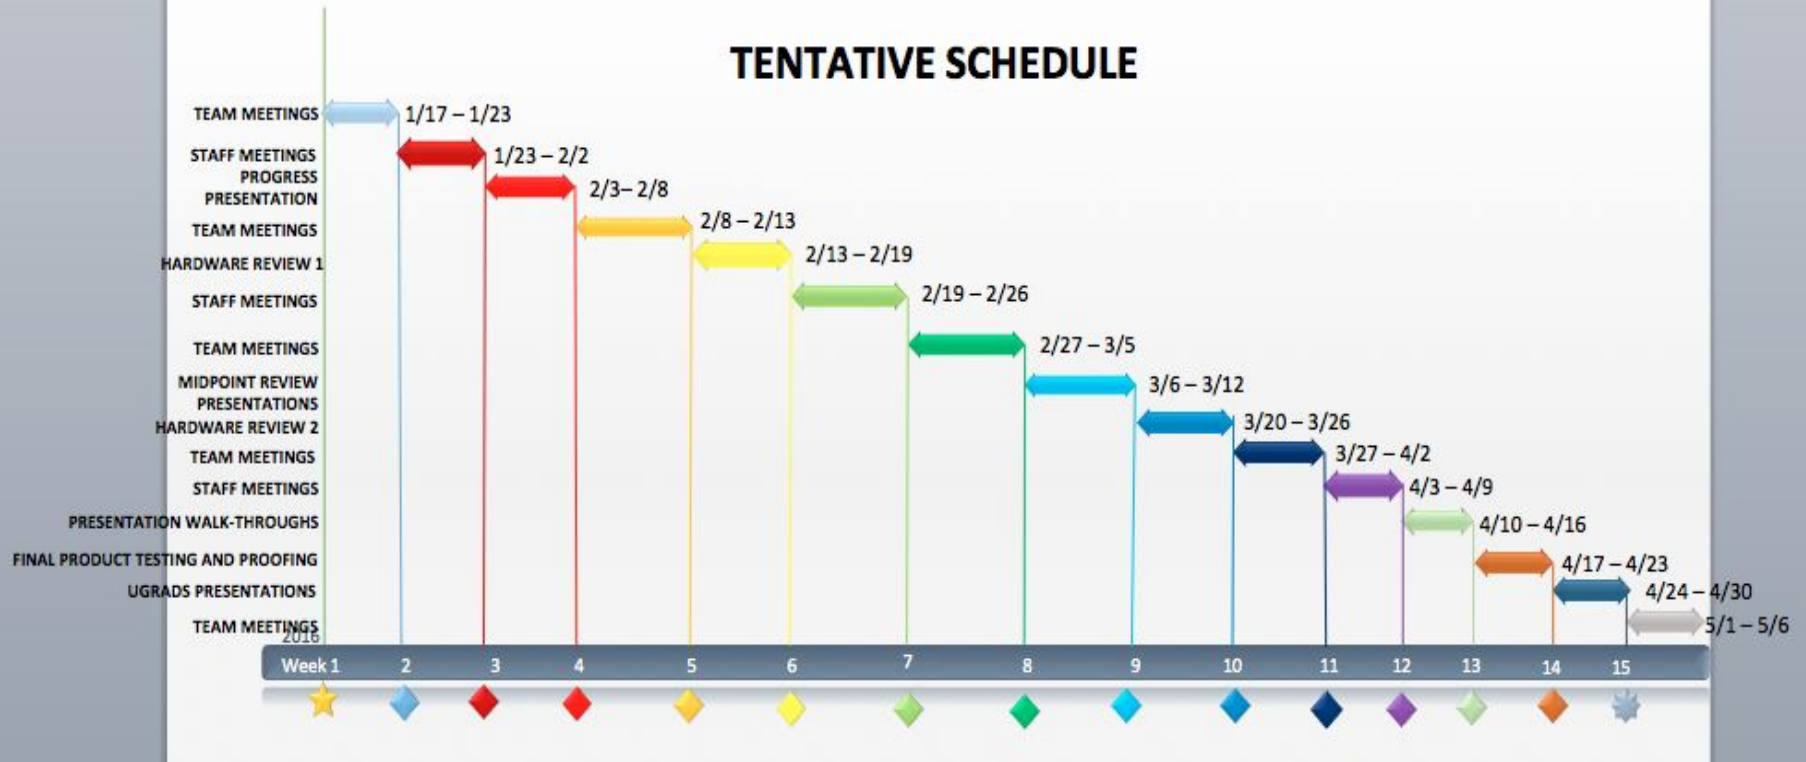

● Budget:

Material	Cost	Quantity	Image
Battery w\ charger	\$ 76.24	1	
Tires	\$ 15.92	4	
Electrical stuff	\$ 106.05	3	
Wall sticker	\$ 10.95	1	
Electrical tester	\$ 15.82	1	

● Budget:

Window Regulator	\$ 195.72	1	
Screws	\$ 20.38	3	
Easel	\$ 13.47	1	
Wood	\$ 49.3	10	
Corner Brace	\$ 40.3	12	
Total of expenses	\$ 544.15	Remaining	\$ 955.85

● Schedule:

I'VE GOT ANSWERS.
