

Team meeting Sept 27:

7:00-7:30

Group status:

- Meeting completed on Monday and answers were added to the team drive
- Everyone brainstormed separately about some designs

Individual:

- Discussed meeting with Dr. Winfree and the answers he gave to our questions
- Divide up the concept generation as well as discuss roles and responsibilities for report due soon
- Assignment division is as follows:
  1. Antoinette Goss:
    - ◆ Background and design selection
  2. Allison
    - ◆ Existing designs and designs considered
  3. Felicity
    - ◆ System level and fundamental decomposition
- Discussed a bit more on what the requirements are of the report

Future

- Will have concept generation done to compare and discuss
- Meeting will be next Thursday to go over designs
