

MEETING MINUTES

Topic: Project Requirements

Wednesday, January 23, 2019

7:00pm-end

Minutes recorded by : Saleh Alnasim

Meeting called by : Salman Alostaz

Attendees : Salman Alostaz, Saleh Alnasim, Abdullah Alroumi and Mohammad Almutairi

Please bring :

Table 1. Record of meeting.

7:00-end	We met in the engineering building to discuss new ideas for our device to go in and out of the car trunk. We also talked about when the stuff might arrive and how will that affect our progress this semester. We talked about the batteries and their current and power and how that relates to the motor and the performance of our design.	ENG 112
