Remaining minutes	Plan for next meeting <ul style="list-style-type: none">• Mike and Nathan report back on testing setup• Submit blue form• Get ready to build benchtop model	Nova Kinetics

Minutes -60

Outcome

All materials were selected and sourced they should be ordered in time to complete our benchtop model by the end of the semester. We will be able to substitutes parts obtained form the Flyers if necessary but we may also consider using Amazon Prime to get two day shipping if we get held up with parts not arriving in a timely manner.
