

Meeting Minutess

Tuesday January 22, 2019

Meeting Called by: Mahmoud Shaban

Minutes recorded by: Ahmad Alharbi

Attendees: Ahmad Alharbi , Ahmad Altheyaib, Mishary Alhooli, , Abdulaziz Hussain, and Mahmoud Shaban

Recording of what happened in meeting:

From 6:30 pm to 7:00pm	The team meeting was to discuss new ideas for the initial design and introducing gears to the sculpture .	Engineering Building
From 7:00pm to 8:00pm	Each team member is working on his part of the tasks handed to them by Dr. Traves. Mahmuod was researching gears, Al harbi was researching adequate materials to be used, Abdulaziz was looking for information regarding shafts and what material should be used, Mishary was searching for a tool to measure torque and Ahmed was gathering information about springs and how we are going to apply the concept in our next design.	Engineering Building
From 9:00pm to 10:00pm	We checked each other's work to make sure all tasks and information are presentable and concise.	Engineering Building
