

Team Meeting Minutes

3/17/2019

Date: 5:00-6:30 pm

Location: ENG building

Lead Person: Barjes Alenezi

Minutes Recorder: Fawaz Almubark In

Attendance: All team members

Executive Summary:

For the meeting today based on the client demand we need to increase the length of the leg bar and make it straight without bending. We figure out that we need to increase by 32 mm and we need to do it in Solid works. Also, we need to increase the width of the Sprocket

To accomplish:

- manufacture the new leg bar
- Increase the width of the sprocket by 10mm
