Table 1. Record of meeting.

10:30 am to 11:00 am	Introductions <ul style="list-style-type: none">• Fred and Bob from the Flagstaff Flyers met with our team to look over our first iteration design and go over tips for design changes, manufacturing, and learning how to fly• Fred offered to give our team flying lessons by using a buddy box system where one of the Flyers would aid us in controlling the plane
11:00 am to 12:30 pm	Capstone Work <ul style="list-style-type: none">• Fred went over a list of rules of thumb and tips that would be helpful during our design process and give us some more ideas of changes we could implement• Bob looked over our first iteration and made suggestions to change the spars of the wing from round dowels to I beam shaped wood
	Plans for next meeting/ Assigned Tasks <ul style="list-style-type: none">• Work on individual analyses to make sure we are all on the same page for values that should stay consistent through all of our reports

Next formal meeting: November 5, 2018, Capstone Room, Engineering Building, at 10:30 am
