

Meeting#11

Date: 10/30/2018

Time: 6:00 – 8:00 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Everyone discussed his analytical report with the group.
- Updated the website
- Discussed new ideas for the project.

Meeting#12

Date: 11/4/2018

Time: 5:00 – 9:00 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Started working on the final presentation.
- Started working on the BOM, and checking the price for every single part.
- Tested some parts from Previous projects the team got form professor Oman
- Started the final report.

Meeting#13

Date: 11/7/2018

Time: 5:00 – 8:00 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Finishing the final presentation and preparing on the speeches
- Discussing new ideas and themes for the power point to make it more interesting.
- Continuing writing the final report.

Meeting#14

Date: 11/11/2018

Time: 5:30 – 7:45 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Finishing the final report and checking on it.
- Gathering ideas about the full prototype
- Started drawing the CAD package on papers, to make it easier to draw on solid works.

Meeting#15

Date: 11/18/2018

Time: 5:00 – 8:00 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Edited on the final report before submitting it.
- Drawing the final prototype in order to send it to NAU maker lab to 3-d print it.
- Started drawing few parts for the CAD package on solid works.

Meeting#16

Date: 11/25/2018

Time: 8:00 – 9:30 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Discussed the CAD package and drew more parts
- Discussed the full prototype
- Finished full developed Bill of Materials

Meeting#17

Date: 12/2/2018

Time: 5:00 – 9:30 pm

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Received the 3-d printed part for the prototype
- Assembling all the part drawn on solid works for the CAD package
- Discussed new ideas about the fitment of the design.

Meeting#18

Date: 12/5/2018

Time: 8:00 pm – 12:30 am

Attendees: Saud Alabhoul, Mohammad Albaghli, Jasim Albenali, Rashed Alfadhli, and Abdulaziz Kandari

Discussion:

- Finishing up the assembling for the CAD package.
- Starting the drawing for each part on solid works
- Checking up on the BOM
