

**Location:** EGR Rm. 108 (Capstone Room)

**Date:** 11/20/18

**Time:** 5:30pm

**Abstract:** Go over what parts still need to be done for the final proposal report

---

- Ask everyone where they are at for their sections of the final proposal
- Remind everyone that team deadline is tomorrow (11/21)
- Everyone needs to do individual parts in selected design
- For the design rationale and design selected
  - Abdulaziz: Tower
  - Faisal: Yaw
  - Naser: Shaft
  - Riley: Blades
  - Tanner: Brakes
- Any last questions:
  - Tanner: Do we have to re-edit all parts that were done for the preliminary report?
    - Yes, but we won't get points for making it better
- Riley volunteered to do the majority of the editing once everyone's parts are in by the end of 11/21
- Final proposal report due 11/25 at 11:59pm

**Meeting Adjourned:** 6:25pm
