

GROUP 1 STIRLING CRYOCOOLER  
MEETING MINUTES  
Group meeting: NOV26, 2018

Member present: Luis, John, Ahmad, Faiez, Abdulrahman

**Announcements:**

**Team input:**

After fixing our minor adjustments the team tested the apparatus and the system did cool within 55 minutes. After that we analyzed the data we got from the testing and converted into graphs in excel. The excel graph showed the difference in temperatures.

**Future progress:**

Ahmad And John will be finishing the poster.

Luis, Faiez, and Abdulrahman will work on the Final Operation and Assembly Manual.
