

## Notes

Make an action item

get everyone's schedule + get in touch with gore

Set up a team meeting time

## goals

Specific  
measurable

achievable

Realistic

Time dependent

## Ugrads

Andrew: diaphragm: forces of the muscle  
translate to power outputs

Justin:

Zayon:

Quinn:

and:

Design a charging circuit

- develop a heating up chip solution
- develop a parts list

Aorta: Find the power

Drego: For the heart

Tim: compare different materials
