-

Executive Summary

As the report finishes, it has checked through the TA, to get the comments. After taking the comments from the TA, these comments need to fix to get a good grade so that has done in this meeting. The report has done and took to the TA, and then edited the report as per the comments.

Report Comments

Comments have taken on the report when it has finished and checked by the TA. TA go through the report thoroughly and gave the comments which are not correct and which need to improve. These comments helped us in making the report good.

Report editing as per the comments

TA gave us lot of comments in the report. Some of the comments were based on grammar, some of the comments were related to the technical mistakes in the report and some of the comments were for the flow and arrange of report. From those comments we have sit together in a meeting and took each person their own part which he did and resolve the comments of the report
