

## Week 7 Group Meeting

**Day of Meeting:**

Sunday, March 4<sup>th</sup>, 2018

**Time:**

4pm-6pm

**Location**

Engineering building room 112

**Attendance:**

All the group members

**Discussion:**

For this week meeting we discussed our individual technical analysis. Explain what topics we need to talk about it. we note few points about the device we documented that in our report, we focused on Hamad notes about add on features and make the device more useful. On the other hand, we made some slides for our Midpoint presentation also for our report, we prepare for staff meeting with Dr. Oman for next Tuesday, and action item for each member in the group to present it with Dr. Oman.
