

## **Team Meeting Week 9 spring 2018**

### **Day of meeting:**

Wednesday, March 14<sup>th</sup>/2018

### **Time:**

5:00 pm-8:00 pm

### **Location:**

Engineering building 112

### **Attend:**

All team members

### **Discussion:**

We did the midpoint presentation and it was a practice for our UGRAD and it was between 12-15 minutes. After the presentation, we got together to work on the report for editing and adding chapter 6 and 7 according to the rubric. After working on the midpoint report, we worked on Hardware review 2 in order to submit it ahead of time before spring break. We discussed how to add some accessories to the device and how to make it more beautiful. Also, we are working to make the device meet the engineering requirements. After that take the device to the client.
