

Staff Meeting 3/5/18

Purpose: Discuss upcoming assignments and go over new prototype

Attendees: Ethan Michel, Azalea Grant, Robert Libby, Brandon Begay, Hannah Rentschler.

Meeting Time: 2:30-4:00 pm

Minutes Recorder: Hannah

We have a midpoint presentation due next Thursday and possibly a report

We also need to sign up for UGRADS before the 16th

Dr. Trevas said it would be good to have a working prototype by the midpoint presentation

Ethan and Brandon finished the t-bracket attachment and built it

Azalea finished the hinge and shaft and is continuing to work on the new pulley and t-bracket

Robert and Hannah got the initial prototype running and it seems to be operating at the correct time in the gait.

Short term tasks for Wednesday:

- Hannah and Azalea get mechanically sound system
- Brandon figure out UGRAD stuff
- Robert get the controls working and keep the team motivated
- Ethan start the report /presentation
