

Meeting Minute – Week 7  
Attendance: All Team

All team had attended week 7, We have discussed a lot of things such as the presentation and dividing final report to each member of the group. Also the group met the client and discussed the project and if anything has to be added to the project and we have sheared our idea of building the project to the client and took the feedback form the client and try to change as much as we can to make our project looks good for the client.

Meeting Minute – Week 8  
Attendance: All Team

On week 8 group have met the client regarding the feedback that we got from her and show her the changes on what we did , Also we have started working on the final project and shearing ideas between the team , Also we discussed the next semester and the steps of building our project on time and make it professional and useful for children.
