

Team Meeting

Meeting Time: 9:00 AM – 4:00 PM
16 February 2018
Building 98C, Machine Shop

Attended meeting:

- Michael Torres
- Lucas Veteto
- David Trevas
- Alex K.
- Flagstaff Flyers

Discussion:

The team discussed the construction of the plane and some adjustments to the final design. Flagstaff flyers suggested building techniques for the plane design. The team changed the plane design due to manufacturing and construction difficulties. The ribs for the new plane design were cut out later that day.

Next week expectations:

Lucas: Work on CAD drawings and finalize the wing design.

Conor: To determine the correct profiles of each rib. Talk to ASNAU for funding.

Ahmad: Determine the landing control.

Saood: Finalize battery and motor that will be used for the final design.

Michael: Determine loading and structural analysis, if possible. Analyze the final design required by the SAE Aero competition.
