

Team Meeting

Meeting Time: 6:20 PM – 7:00 PM
22 February 2018
Engineering Building Room 321

Attended meeting:

- Saood Alazmi
- Ahmad Almuhanha
- Conor Rich
- Michael Torres
- Lucas Veteto
- David Trevas
- Amy Swartz

Discussion:

The team discussed about finalizing the report due for the competition. It was advised to do as many calculations as possible and to make the report look professional. The construction of the plane has been on hold until the technical report is ready for submittal on March 1, 2018.

Next week expectations:

Lucas: Work on CAD drawings and finalize the plane design.

Conor: To determine the correct profiles of each rib. Talk to ASNAU for funding.

Ahmad: Determine the landing control.

Saood: Finalize battery and motor that will be used for the final design.

Michael: Determine loading and takeoff/landing performances. Analyze the final design required by the SAE Aero competition.
