# Team Meeting

## ***Attended meeting:***

- Saood Alazmi
- Ahmad Almuhanha
- Conor Rich
- Michael Torres
- Lucas Veteto
- David Trevas
- Amy Swartz

## **Discussion:**

Each team member discussed their area of research to the team. The team discussed what parts were ideal and which parts would not work for the design. After visiting Flagstaff Flyers, the team used the given advice when designing each component of the aircraft.

## **Next week expectations:**

Each member must continue researching a component of the plane and discuss it to the team on the next meeting.
