

## Meeting Minutes #6

Topic: Meeting with the client

Minutes Recorded by: Fawaz Aladwani

Location: Coffee Shop

**9:00 am to 9:45am**

- Discussing our next step with Jackee before the presentation next week
- Jackee asked about where we are standing at right now
- Come up with our own budget, because the last group that thought of a laser project did not finish it up
- Think that it is something that we can finish up and know how much it costs
- It's a great idea and it would require the team to think outside the box
- Make a spreadsheet of our thoughts and show it to David Willy
- Think of how to make it doable and not complex
- Jackee will send the team her business plan for us to add on the website
