Ask Doctor Oman about fundraising more money, for tax write off foundations account through SAE (see Tyler/ Kaleb)

Fundraising email and magazine online in drive

In Fundraising (Sponsorship Tracker) there is an excel file with companies. Use that for coordinating talking with companies. Tyler is willing to take all companies with his name by them.

Front end rear end get design in next week to two.

Start manufacturing **frame** first week of October. (need at least all mounting points on frame from sub teams to start manufacturing.)

Competition rules

October 7th registration, Webex Wednesday the 25th 7am-9am

Do your SAE membership before October 15th
