

Team Meeting/ Staff Meeting

4 March 2022/ 3:30 PM / At NPOI

ATTENDEES

Cydney / Wyatt / Alex / Jim Clark / Willy

AGENDA

1. Confirm instillation dates.
2. Talk about a testing plan.
3. Update CAD.
4. Finalize the design of the final pipe extension from FDL 1 to the vacuum pumps.

NOTES

- We will be on site the week of spring break. There should be a limited amount of people there.
- We will run approximately four tests, the most important is the leak rate test.
- Alex will update the CAD.
- The pipe extension design is done.

ACTION ITEMS

1. Work on the the testing plan.
2. Make sure we are ready for install.

NEXT WEEK'S AGENDA

Meet in class on Monday
