

NPOI Vacuum Manifold Capstone

Team Meeting

4 February 2022 / 11:00 AM / NPOI

ATTENDEES

Wyatt (Note Taker) / Cydny / Alex / Jim Clark

AGENDA

1. Hardware status update 33%.

NOTES

- We will be bringing in the 1/3 of the design to class but for the other status updates will have to be on site.
- We need to continue to work on manufacturing the blanking plates, brass interfaces, and the wires.

ACTION ITEMS

1. Finish putting together 1/3 of the design.
2. Work on manufacturing.

NEXT WEEK'S AGENDA

Hardware Status Update is on Monday
