Senior year mechanical engineering student seeking an entry-level position to gain experience.

### Accomplishments

- On track to Graduate from NAU with a 3.0 GPA from NAU in 4 years.
- Achieved fluency in Spanish during high school
- On track to compete in the Baja competition as a member of the drivetrain team
- Worked through college, helping with time management and communication skills
- Worked with clients for projects, developing effective presentation delivery, familiarity with deadlines, and understanding of customer needs and engineering requirements.

### **Strengths**

- Experience with coding with MATLAB and introduction to Arduino software.
- Quick to learn any skills needed for a job needed
- Excel with working in a team and in individual assignments.
- Time management skills obtained from working through school while a full-time student
- Strong understanding of all mechanical engineering concepts, with exceptional skills in thermodynamics
- Capable of working long hours to get a job done, with experience in up to 14-hour shifts while still in school.

### **Job experience**

Feb 2021 to present

Oakmont

Flagstaff, AZ

- Developed quick decision-making skills and gained leadership experience working as a food runner, directing people where to go while ensuring everything was made correctly.
- Maintained a clean working area during the shift, and deep cleaned after each shift.
- A lot of practice with customer service skills.

April 2017 – September 2019

Jalapeno Inferno

Phoenix, AZ

- Learned how to deep clean, work hastily, and obtained customer service experience.
- Continuous Spanish practice with the kitchen and some managerial staff.
