OBJECTIVE

Looking for a job that could increase my skill set while gaining work experience.

SKILLS

Fast learner, athletic, conflict resolution, problem solver, and time management.

EXPERIENCE

Throughout my academic, athletic, and employment history I have learned the importance of teamwork and professionalism. During my academic career I have gained experience working with different varieties of personalities and backgrounds completing group projects and playing team sports. I learned the importance of working together to achieve a common goal.

EDUCATION

James Bowie High School Graduated June 2017

Northern Arizona University August 2017 – Present
Major Mechanical Engineering

United State Air Force Graduated April 2021
Sheppard AFB [Tech School]

VOLUNTEER EXPERIENCE AND LEADERSHIP

Serviced as a JROTC and ROTC Flight Commander. In charge of leading the flight to reach goals and objectives set by the Squadron Commander.

Team captain and starter for the 2017 James Bowie High School softball team, providing support, giving feedback and showing my team how to never give up on the way to our state championship game.

Onion Creek neighborhood flood assistance: Assisted with moving debris and provided food.

	<p>Wing Lead for squadron 361 teal rope at Sheppard AFB; in charge of all teal ropes inside our squadron. Also responsible for assisting the Base Lead with managing and assigning all teal ropes that worked with SAPR.</p> <p>Mentor experience: Educated airmen and potential teal rope on sexual assault, equal opportunity, and harassment. Mentored squad leads and teals' ropes in handling sexual assault cases, restricted and non-restricted reports, and self-care. Taught health and fitness to kindergarten classes during organized walks for 3 years. Watched and taught children about the bible at my church, TCC, for 2 years.</p>
