WORK EXPERIENCE

Durango and Silverton Narrow Gauge Railroad - Brakeman

2020 - 2022

- Worked within a new team of 5 individuals every day to conduct train operations and movements.
- Served as the face of the railroad had to talk to guests while being able to react during an emergency.
- Due to the remote location, I was required to provide emergency medical services within an isolated environment.
- During my second summer I helped to train over a dozen new brakeman.
- Handled over 300 guests a day.

Flagstaff Dentistry 4 Kids - Dental Assistant

2020–2022

- Worked as a dental assistant and helped doctors administer treatment to patients while also ensuring the workplace meets federal regulations.
- Due to the fast-paced environment of the office I had to be quick on my feet to go thru patients while still maintaining a sterile and clean environment.
- Talked through treatments with patients every day.

LEADERSHIP EXPERIENCE

Vice President for the NAU Cycling Team

During 2022 I fundraised over \$10,000 for my cycling team to compete at the collegiate national championships.
