OTHER EDUCATION, AWARDS, AND HONORS

Eagle Scout

April 2020

- Demonstrated initiative by leading a service project where we raised \$1500 dollars for a nonprofit called shoebox ministry. Successfully managed volunteers to complete the project on time
- Spent years working on leadership skills and growing my interpersonal skills by holding leadership positions and being an active member within my troop

Teen Leader Graduate

August 2016

- Participated in a 2.5-day experiential leadership program focused on developing leadership skills, how to push past fear, gain confidence, how to make meaningful relationships, how to work outside of your comfort zone, communication skills, and teamwork skills.

Theta Tau, Professional Engineering Fraternity

- Focused on developing my professional skills and gained leadership skills through being on the E board. Opened up networking opportunities around the United States
